

LOBBY DAY!
FEBRUARY 21, 2011
9am

All dental hygienists and dental hygiene students are invited to attend our 2011 Lobby Day presented by the Government Relations Council at the Capitol on Monday, February 21, 2011 (President's Day). The legislature officially convenes on February 1, 2011, so our Lobby Day is early on in the session.

Lobby day is an opportunity for you to visit your representative in the House and your state senator and let them know what is important to you! President's Day will be very busy at the Capitol but it will be a great time for you to become acquainted with your representatives in the legislature and to take advantage of the privileges of an Oregon citizen and a constituent.

We have reserved **ROOM 50 (Basement/Ground level) at the State Capitol**.for the orientation in the morning **from 9 AM to 11:30 AM**. Please join us there! The activities calendar will have our event listed and you can stop at the Information desk in the rotunda for directions to the room.

If you would like to visit your elected officials, **please call their offices** and arrange for appointments in the afternoon or after 11:30 AM. To find your State and US legislators click on this website <http://www.leg.state.or.us/findlegsltr/>. Just fill in the form, click "submit" and you will be given your legislators contact information. **Don't worry, you can also ride along with someone else!**

Paul Cosgrove, ODHA's lobbyist and legal counsel, will provide attendees with materials (talking points) and go over the legislation that we will be speaking to our elected officials about. This orientation will provide you with all the information you need and he will answer any questions you may have at that time. **This is also a great introduction to what ODHA is doing for all hygienists at our state capitol!**

Please talk to your colleagues and invite them to participate as well. We welcome all RDHs and students to be part of the Lobby Day activities.
