

Oregon Dental Hygienists' Association

Policy: **03-04 Membership Committee**

Program: **Committees and Programs - 03**

Effective date: 12-13-17 (unanimous email vote)

Last revised date: 12-13-17

Purpose: The purpose of the Membership Committee is to recommend strategies for recruiting and retaining ODHA members, to assess member needs, and to evaluate the services and benefits provided to members to ensure member needs are met. Also, the committee is to create member incentives and evaluate how to provide services that add value to members' professional lives.

Policy: Committee members must be active ODHA members in good standing. A goal of a minimum of three (3) and a maximum of 15 committee members will serve. Ideally the committee will have representation from all components.

Procedures:

- The Chair of the Membership Committee is chosen by the committee and approved by the Board. The Chair must be able to work effectively with the Membership Director.
