

## **Oregon Dental Hygienists' Association**

Policy: **05-01 Professional Services**

Program: **General Operations-05**

Effective date: **1-10-18**

Last revised date: **1-10-18**

**Purpose:** To define professional services guidelines for the Oregon Dental Hygienists' Association.

**Policy:** The Oregon Dental Hygienists' Association may employ professional services as needed to assist the Association in functioning effectively and efficiently to better serve its members.

**Procedures:** The Board of Directors shall determine which needs can be managed by volunteers and which will need paid professionals. By a majority vote from the Board, professional services will be determined after careful financial considerations.
