

## **Core Ideology----to be continued**

Empower the dental hygienist, advance the profession and engage the public

## **ODHA Mission Statement**

Improving the public's total health through advocacy, education and access to quality oral health care while supporting the dental hygiene profession.

## **ODHA Goals**

- Understand the value of ODHA membership
- ODHA is the recognized community resource for dental hygiene
- Work in partnership with stakeholders to advance total health
- Advance the profession through effective advocacy
